Dear Sir,

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Since I began receiving Cable Television Service, I enjoyed the wide range of programs that it brings. Now, I read that the 5 Connecticut-based broadcast channels will be taken from Cablevision of Connecticut, Inc. which are available to cable viewers in Southwestern Connecticut April 1. This is inexcusable, especially since I pay my Cable TV bill every month, and see the programs that I and other citizens of this area enjoy.

I am asking "What will be left to me to watch?", when April 1 comes. I strongly urge you to look at the letter attached, typewritten to Gov. Weicker. This is an important letter to read concerning my displeasure in having our area deprived of the news of this state.

Thank you.

Sincerely,

*George S. Kaminsky*

Dear Governor Weicker,

From reading the reports in the Advocate, I was appalled at reading that the Southwestern Connecticut area will lose programming on the 5 broadcast stations in New Haven, Hartford and Waterbury. We will have to rely only on Public TV-Channel 10 on Cable Television. I'm joining the many
